

DECISION

No. 146 of date 26.12.2014

TO

DETERMINE THE TARIFF OF ELECTRICITY DISTRIBUTION SERVICE FOR 2015 IN THE VOLTAGE LEVEL OF 35 KV

On the basis of articles 9 and 26 of Law No. 9072, date 22.05.2003, “*For Power Sector*”, as amended, articles 20 and 21 of ERE-s Practice and Procedure Rules, approved with ERE-s Board of Commissioners Decision no. 21, of date 18.03.2009, as amended, Decision no. 79, of date 26.06.2008, “*To approve the methodology of calculating the electricity distribution tariff*”, ERE-s Board of Commissioners, on its meeting of date 26.12.2014, after reviewing the application of OSHEE (Electricity Distribution Operator) company to determine the electricity distribution tariff of the distribution system users for 2015 and the report prepared by Prices and Tariffs Directory,

Decided:

1. The tariff of electricity distribution service for the distribution system users in 2015 will be:
1.5 lek/kwh for the distribution system users **in the voltage level of 35 kV**
2. Legal and Customer Protection Directory is charged to notify OSHEE (Electricity Distribution Operator) company.

This decision enters into force on 01.01.2015

This decision is published in the Official Gazette.

ERE-s CHAIRMAN
Petrit AHMETI
