***DECISION***

***No. 149 of December 29, 2014***

**FOR BEGINNING THE PROCEDURES OF THE “WATER SUPPLY AND SEWERAGE TIRANA” REQUEST REVIEWAL TO TRANSFER THEIR ELECTRICITY GENERATION LICENSE FROM “WATER SUPPLY AND SEWERAGE TIRANA” TO “LANABREGAS HPP”**

Based on Law 9072 of May 22, 2003 “For Power Sector” (as amended), article 17; “Regulation for the Procedures of Licensing, Modification, full/partial Transferring and License renewal”, ERE-s Board of Commissioners, on their December 29 2014 meeting analysed the “Water Supply and Sewerage Tirana” (the company was licensed by ERE Board of Commissioners Decision no. 134 of December 6, 2011 as an electricity generator) request for transferring their license as follows:

- “Water Supply and Sewerage Tirana”, the company that filed to ERE for electricity generation license transfer has partly provided the necessary documentation in order to proceed any further, according to the “Regulation for the Procedures of Licensing, Modification, Full/Partial Transferring and License Renewal.”
- “Lanabregas HPP” which has filed to ERE for obtaining the “Water Supply and Sewerage Tirana” electricity generation license has presented the full documentation according to “Regulation for the Procedures of Licensing, Modification, Full/Partial Transferring and License Renewal”, article 9.

Based on what mentioned above, ERE Board of Commissioners

**Decided:**

1. The beginning of the electricity generation license transferring procedures from “Water Supply and Sewerage Tirana” to “ Lanabregas HPP”.
2. Legal and Customer Protection Department is in charge of notifying “Water Supply and Sewerage Tirana” as well as “Lanabregas HPP” on the Decision made.

This decision is due immediately.

This decision is published in the Official Gazette.
