

DECISION

No. 146 of December 26, 2014

**ON YEAR 2015 ELECTRICITY DISTRIBUTION SERVICE TARIFF
FOR 35 KV VOLTAGE LEVEL**

Based on Law No. 9072, of May 22, 2003 “*For Power Sector*” (as amended), articles 9 and 26, ERE-s Practice and Procedures Rules, articles 20 and 21 approved by ERE Board of Commissioners with their Decisions no. 21 of March 18, 2009 (as amended), no. 79 of June 26, 2008, “*The approval of the Distribution Tariff Methodology*”, ERE-s Board of Commissioners, on their December 26, 2014 meeting, after reviewing the OSHEE (Distribution System Operator) tariff application for the distribution system users tariff for 2015 and the report prepared by Prices and Tariffs Directory,

Decided:

1. The electricity distribution service tariff for the distribution system users in 2015 will be:
1.5 ALL/kwh for the distribution system users **in 35 kV voltage level**
2. Legal and Customer Protection Directorate is in charge of notifying OSHEE (Distribution System Operator) on the decision made.

This decision is due from January 1, 2015

This decision is published in the Official Gazette.
