No. 143, of November.26.2015

ON

Based on Law No.43/2015 articles 16; 37, point 2 letter “d”; 39 point 4 and article 110 “On Power Sector”, the “Regulation for the Procedures of Licensing, Modification, full/partial Transferring and Licenses Renewal” articles 4, point 1, letter “g”; 5, point 2; 13, approved with ERE Board Decision No. 108, of September.09.2008, ERE Board on their November.26.2015 meeting, after reviewing the application submitted by “C & S Energy” company, and the report of License, Market and Licensee Monitoring Directory as well as Legal and Customer Protection Directory to license this company in electricity trading activity ;

Observed that:

The application of “C & S Energy” company, partially completes the requirements provided by ERE in the “Regulation for the procedures of licensing, modification, full/partial transferring and licenses renewal” as follows:

- The application format (article 9, point 1) is completed correctly.
- Legal, administrative and ownership documentation (article 9, point 2) is completed correctly.
- Specific data according to the type of license (article 9, point 4./10, letters “a”, “b” and “c”) is completed correctly.

For the missing documentation, that has to do with:

- Financial and fiscal documentation (article 9, point 3), it results that the certification for taxes is under appeal.

For all of the above mentioned, ERE Board,

Decided:

1. To license “C & S Energy” company, in electricity trading activity, for a 30 – year period, with the condition to submit immediately at ERE when to receive the final confirmation of tax liquidation.
