FOR

SOME AMENDMENTS IN THE REGULATION OF NEW CONNECTIONS IN THE DISTRIBUTION SYSTEM

Based on Law No.9072, date May.22.2003, “*On Power Sector*” as amended, article 9 “*ERE Practice and Procedure Regulation*” article 26, approved with ERE Board of Commissioners decision No.21, date March.18.2009, ERE Board of Commissioners on their April.17.2015 meeting, after reviewing the report submitted by the Working Group for some amendments in the “*Regulation of new connections in the distribution system*” approved with ERE Board of Commissioners decision No.22, date February.25.2012,

Considering that:

-the bylaws approved by ERE shall not prevail on Law (concretely Law no.8734, date February.01.2001 “For guaranteeing the work safety of electricity devices and installations”) and should not affect the regulations hierarchy;

-considering that the Power sector will be regulated soon with a new law, that will require the draft of the new legal acts for implementation,

Decided:
