

REPUBLIC OF ALBANIA
ENERGY REGULATORY AUTHORITY

Board

DECISION

No. 205, Dated 13.09.2018

ON

OPENING THE PROCEDURE TO DEFINE THE ELECTRICITY PURCHASE PRICE PRODUCED FROM SOLAR SMALL RENEWABLE RESOURCES WITH INSTALLED CAPACITY 2MW AND WIND ONES WITH INSTALLED CAPACITY 3MW FOR 2018

Based on article 10, point 2, article 16, of Law no. 43/2015 “*On Power Sector*” as amended, article 4, point 1, letter “e”; article 10, point 3 of Law no. 7/2017 “*On the promotion of using energy from renewable resources*”; articles 19, 20, 21 of the “*Regulation on ERE Organization, Operation and Procedures*”, approved with ERE Board Decision no. 96, dated 17.06.2016, ERE Board on their meeting dated 13.09.2018, after reviewing the report prepared by the Technical Directories on *opening the procedure to define the electricity purchased price produced from solar small renewable resources with installed capacity up to 2 MW and wind ones with installed capacity up to 3 MW for 2018*,

Observed that:

- Based on article 10 point 2 and 16 of Law no. 43/2015, “On Power Sector ”, article 10, point 3 of Law no. 7/2017 “On the promotion of using energy from renewable resources” ERE is obliged to define the electricity purchase price produced from solar and wind small renewable resources with installed capacity respectively 2 MW and 3MW.
- Council of Ministers Decision no.369, dated 26.04.2017, “On approving the methodology to define the electricity purchase price generated from small solar and wind renewable resources ”, on point 2, charges ERE to approve the electricity purchase price generated from small solar and wind renewable resources, in conformity with the average price, according to the provisions of this methodology.

- Point 2 of ERE Board Decision no. 120 dated 27.07.2017 which approves the prices for the solar and wind small producers for 2017 defines that *“Beginning from 2018, for the following investments, ERE, based on the calculated data, regarding the real investment costs, if they result different from the provisions of Council of Minister Decision no. 369 dated 26.4.2017, “On approving the methodology to define the electricity purchase price produced from solar and wind small renewable resources”, shall propose to the Ministry of Infrastructure and Energy the improvement and review of Council of Minister’s decision”.*

For all of the above mentioned ERE Board,

Decided:

1. To open the procedure on defining the electricity purchase price produced from solar small renewable resources with installed capacity up to 2 MW and wind with installed capacity up to 3MW for 2018.

This decision enters immediately into force.

This decision is published in the Official Gazette.

This decision may be complained on Tirana Administrative Court, within 30 calendar days from the publication in the Official Gazette.

CHAIRMAN
