

# How can you enter into an electricity contract?

**You can file your request at any customer service point of the supplier accompanied by the documentation specified in the contract.**

**The supplier evaluates and verifies all the required documentation.**

**The contract shall be signed within 15 calendar days, if the documentation is complete.**

**The supplier shall inform you in writing within 7 calendar days regarding the deficiencies in the submitted documentation.**

**Complete the required documentation within 7 days otherwise your request shall be rejected.**

**The Supplier shall inform you in writing, at the address provided in the request for supply, for the acceptance or not of your request.**

**Within 15 days, your contract shall be signed and the electricity supply shall begin.**
